Webinar – Questions Your Healthcare Vendor Doesn't Want You to Ask

Ensuring that your organization is getting the most value from its vendor relationships

NEW YORK, August 12, 2010 – With their ongoing commitment in helping employers control their healthcare costs [Optimatum Group LLC](#) will be holding a webinar titled *Questions Your Healthcare Vendor Doesn't Want you to ask*.

If one ever felt that their organization should be getting more value for the amount of money it spends on healthcare, then this webinar should be the perfect solution. Discussions to include top issues in healthcare today and arm the executive with the key questions they should be asking healthcare vendors to optimize organizations healthcare dollars.

By asking tough questions, one can bring more transparency and accountability to vendor relationships and ensure that an organization is getting the best value. Senior executive, know all too well the impact health plan costs have on the balance sheet and P&L statement, this informative opportunity to achieve significant healthcare savings for an organization should not be missed.
